Customer Success Report

Corporate Wellness Software Category

Corporate wellness software applications give enterprises the features to implement, administer, and manage wellness programs. These tools provide organizations with programs to encourage their staff to select and maintain healthy lifestyle habits. They benefit all departments, company sizes, and industries as these tools help to create a health-oriented work culture as well as a social support platform for staff members.

Corporate wellness software presents functionalities such as confidential health assessments, health education, staff participation and progress tracking, mobile apps for ease of use, rewards and incentives, and more. These applications can be integrated with core HR tools to facilitate effortless management by administrators and with benefits administrations systems to offer convenient access to staff members. Corporate wellness software assists companies to promote organization-wide health and wellness. They offer reporting capabilities that measure program effectiveness and activity.

Customer Success Report

Ranking Methodology

The FeaturedCustomers Customer Success ranking is based on data from our customer reference platform, market presence, web presence, & social presence as well as additional data aggregated from online sources and media properties. Our ranking engine applies an algorithm to all data collected to calculate the final Customer Success Report rankings.

The overall Customer Success ranking is a weighted average based on 3 parts:

CONTENT SCORE

- ✓ Total # of vendor generated customer references (case studies, success stories, testimonials, and customer videos)
- ✓ Customer reference rating score
- ✓ Year-over-year change in amount of customer references on FeaturedCustomers platform
- ✓ Total # of profile views on FeaturedCustomers platform
- ✓ Total # of customer reference views on FeaturedCustomers platform

MARKET PRESENCE SCORE

- ✓ Social media followers including LinkedIn, Twitter, & Facebook
- ✓ Vendor momentum based on web traffic and search trends
- ✓ Organic SEO key term rankings
- ✓ Company presence including # of press mentions

COMPANY SCORE

- ✓ Total # of employees (based on social media and public resources)
- ✓ Year-over-year change in # of employees over past 12 months
- ✓ Glassdoor ranking
- ✓ Venture capital raised

Award Levels

MARKET LEADER

Vendor on FeaturedCustomers.com with substantial customer base & market share. Leaders have the highest ratio of customer success content, content quality score, and social media presence relative to company size.

TOP PERFORMER

Vendor on FeaturedCustomers.com with significant market presence and resources and enough customer reference content to validate their vision. Top Performer's products are highly rated by its customers but have not achieved the customer base and scale of a Market Leader.

RISING STAR

Vendor on FeaturedCustomers.com that does not have the market presence of Market Leaders or Top Performers, but understands where the market is going and has disruptive technology. Rising Stars have been around long enough to establish momentum and a minimum amount of customer reference content along with a growing social presence.

“The friendly competition in the Virgin Pulse programme encourages connectivity across the organisation. We are seeing employees build more social connections in their offices, as well as across our Asia Pacific offices, so employees feel more supported and comfortable in their role. And seeing the health benefits of employees in the challenge is such a positive reward – for them as individuals and for the business too.”

HOPE EWING
SENIOR DIRECTOR ASIA, VISA

“We chose to partner with Personify Health based on a few things. One being that it is a single platform that offers different solutions and features to support our employee's wellbeing. We wanted somebody that understands a lot of our employees work across different areas of the business, like the casino, and we needed a platform that would be able to support that.”

JENNY WINTER
HEAD OF INTERNAL CAMPAIGNS, BALLY'S

“Our Virgin Pulse program is finally the company-wide wellness program we always wanted, and we are thrilled with the results. We have been able to help our employees stay healthy while putting more money in their pockets and lowering our overall healthcare costs.”

“Supporting our staff and meeting them where they are is very important to us. As we continue to navigate COVID-19, employee recognition is a key driver of our culture and is increasing visibility of the hard work being done. Recently, we’ve seen 89% of our managers sending recognition and 55% of our staff receiving recognition, which is helping us form better connections with our people and our elders now and well into the future.”

BOB BOURG
HEAD OF HR, ST. ANN'S COMMUNITY

“With The Wire!, we’re now able to celebrate one another across the organization which wasn’t possible before Reward Gateway. FEATURED TESTIMONIALS

“Sonic Boom is definitely a great motivator to stay active every day. About the same time that our company started using Sonic Boom, I also joined a free peer-led workout group in our area. Over the past 2 years I've learned about and completed so many things I'd never think of doing! Being a part of a 12-man relay team that runs over 200 miles from Virginia to Asheville, NC,...”

LEARNING MANAGEMENT SYSTEM ADMINISTRATOR
AND E-LEARNING SPECIALIST, BLACKBAUD

“Sonic Boom Rocks. It's a great program that's fun, easy to use, and keeps us all motivated and thinking of our health on a daily basis. And the staff at Sonic Boom is outstanding! We have the best account manager we could've hoped for – with quick responses, a constant smile in her voice, and heavy attention to detail across all of our needs (program design, marketing, calendar modifications, research, incentive consultation,...”

BARBARA DAVIS
CITY OF WHEAT RIDGE

“Sonic Boom is a fun, exciting, and most importantly an inspirational program for PHC. It has radically changed a number of our staff and has created friendships that normally wouldn't have been formed if it wasn't for the program. Walking groups from different walks of life and different departments have been produced thanks to Sonic Boom. Our account manager has truly been a God send. She has helped me think outside the box and...”

VON PARSARIO
PARTNERSHIP HEALTHPLAN OF CALIFORNIA

“Sometimes it's not a matter of whether or not you can do it. It's a matter of finding the motivation to start. For me, I needed to speak it into existence, and find the accountability to keep moving forward. The Health Coaching was just what I needed!”

“Since we started our wellness program, we’ve added different programs to it, including partnering with Wellable, and we have them come onsite to do different fitness classes, fitness challenges, which is great. Our employees seem to like it. The impact has been great, I can’t say how much [the program] benefits employees in so many different ways that you can’t even begin to think of!”

JENNIFER SWEENEY
HUMAN RESOURCES, ACCELERON PHARMA

“Wellable has been great for a company trying to start a wellness program! Everyone on the team at Wellable has been great – so happy to have made the move over to Wellable.”

MIMECAST

“I like that the tool is easy to use for our employees. I also love the creativity of the different challenges as it makes doing multiple challenges a year fun!”

“WellSteps has been a great fit for our healthcare system employees. We employ a very diverse workforce made up of many different cultures, education levels and ideals. WellSteps helps make it easy to bridge this gap and communicate on all levels. Having WellSteps as a partner to our wellness program has helped changed the lives of many of our employees in a positive direction. We can see the culture of wellness becoming a part of Lake Charles Memorial Health System.”

JESSICA DUHON
LAKE CHARLES MEMORIAL

“WellSteps made the choice easy with a user-friendly platform and a dedicated guide for our plan. It is a great tool to help your staff know that you care about the ‘whole’ person – not just how productive they are at the office. It is also easy to handle on the administrative side because you have a guide helping you every step of the way!”

COURTNEY FOLEY
HUMAN RESOURCES MANAGER, AHBSIF

“WellSteps has been an industry leader for organizations of our size for quite some time, so the choice to partner with them was not a difficult one. We continue our wellness program with WellSteps because of their superior customer service and adaptability to fit our team.”

CURTIS BAXTER
COMMISSION COMMUNITY WELLNESS DIRECTOR,
DERBY RECREATION CENTER

“WellSteps is always improving their product and making sure that the program is not stagnant. They are always incorporating new tools, resources, and not only listen to their clients but also provide guidance and expertise.”
