FEATURED TESTIMONIALS

“Carpentaria Shire Council has recently undertaken the process of identifying all of the projects that were on scraps of paper in staff drawers and in people's heads. We captured these on a spreadsheet, so they were not initially lost, and then started to run these projects through a decision matrix. What SurePact has permitted us to do is focus on that well-structured, end-to-end framework, with transparency and visibility that lets everyone be on the same page.”

MARK CRAWLEY
CHIEF EXECUTIVE OFFICER, CARPENTARIA SHIRE COUNCIL

“With all parties using SurePact, it gives us an immediate picture of where things are up to, rather than relying on email and phone call check-ins. The workflow information is reliable and provides a level of assurance, which will create efficiencies and speed up the process for all those involved moving forward with the project.”

MICHAEL EDDIE
DIRECTOR, CURRYPM

“Everything is tracked cleaner and clearer with SurePact. We can see exactly what has been spent and what is upcoming in real time, allowing us to know exactly when a payment has been made and how much is left in the project grant funds.”

DIRECTOR OF TECHNICAL SERVICES
FAR NORTH QUEENSLAND COUNCIL

“SurePact provides better visibility, transparency and communication. [It] has allowed us to eliminate emails between people, better manage task assignments, and streamlines the communication processes with potential efficiencies.”
