Featured Testimonials

“ We have been overwhelmed by the uptake of and engagement with our new Reward & Recognition platform. In the first week alone we have had over 200 individual awards and 15 team nominations. Xexec's platform has been a wonderful addition by enabling our colleagues to easily recognise and reward each other's contributions, making each individual feel like they are part of the team and appreciated in the workplace. Xexec has to take a lot of credit for the success we have already seen in early adoption. ”

SALLY PURBRICK
HEAD OF REWARD, ANGLIAN WATER

“ Xexec have been key to our efforts not only to enhance the total reward proposition at Sussex, but also to make inroads into the holy grail for all reward professionals, making sure that the benefits profile is relevant to our people, and easy to access. We employ a very diverse range for people, from world leading professors to main grade finance professionals, the Xexec solution provide something for everyone. ”

STEVE WALSH
DIRECTOR, UNIVERSITY OF SUSSEX

“ To help us achieve our goals we must be able to recognise, reward and celebrate our colleagues' success. Xexec's understanding of our organisation, along with their ability to create our bespoke branded engagement portal, has been a key reason for us moving over to their platform. We have been really happy with the results so far and the way our teams across the UK have embraced it. It has not only enabled us to demonstrate that we really appreciate all our employees' hard work but it has made each and every member of the team, across the UK feel part of our special community. ”

ROBIN TAKOOR
REWARD SPECIALIST, CANCER RESEARCH UK

“ We were looking for a high quality, easy to use website to give employees access to a wide range of exclusive offers and discounts. Xexec offered precisely that and in partnership we launched the Sytner Employee Benefit Website in February. Uptake has been good, with a large number of employees using the service and employee feedback has been really positive. It is really great to be able to offer our employees such a comprehensive range of products with the support of Xexec. ”

“Simple, easy to use. It's a great way to give thanks to a colleague, especially at a remote company.”

SARAH C
MARKETING COORDINATOR, TAXJAR

“Zestful is so easy to use and gives you the flexibility to offer employees fun new perks. Traditional methods can get boring and complicated (partnering with ONE gym, filling out tax forms for subway tickets, etc). This gives everyone the ability to use their perks seamlessly and places that actually benefit us.”

CLAUDIA V
PRODUCT CONSULTANT, MONDAY.COM

“I love that there are specific categories that I am allowed to use my perks on. It takes the back and forth out of making sure I am allowed to spend my perks on what my company has set guidelines for.”
