

Idea Management Software Category

Idea Management Software Category

Idea management software helps enterprises to collect ideas from their staff members, assess those ideas, quickly deploy them to the market, and improve productivity. The tool encourages a decentralized innovation environment in the company. It allows you to shortlist the brightest ideas along with high level representatives, and track the progress of the implementation of the suggestions.

With idea management software, you can collect ideas from your employees on how to tackle business challenges. It offers an innovation platform for your staff to collaborate on business transformation and implement a robust and transparent innovation management process. To get the best deal, look for an idea management solution that offers must-have features such as customization for your organization's needs, robust workflow process, ideation and collaboration, gamification, and seamless integration.

Customer Success Report Ranking Methodology

The FeaturedCustomers Customer Success ranking is based on data from our customer reference platform, market presence, web presence, & social presence as well as additional data aggregated from online sources and media properties. Our ranking engine applies an algorithm to all data collected to calculate the final Customer Success Report rankings.

The overall Customer Success ranking is a weighted average based on 3 parts:

CONTENT SCORE

- ▢ Total # of vendor generated customer references (case studies, success stories, testimonials, and customer videos)
- ▢ Customer reference rating score
- ▢ Year-over-year change in amount of customer references on FeaturedCustomers platform
- ▢ Total # of profile views on FeaturedCustomers platform
- ▢ Total # of customer reference views on FeaturedCustomers platform

MARKET PRESENCE SCORE

- ▢ Social media followers including LinkedIn, Twitter, & Facebook
- ▢ Vendor momentum based on web traffic and search trends
- ▢ Organic SEO key term rankings
- ▢ Company presence including # of press mentions

COMPANY SCORE

- ▢ Total # of employees (based on social media and public resources)
- ▢ Year-over-year change in # of employees over past 12 months
- ▢ Glassdoor ranking
- ▢ Venture capital raised

Award Levels

MARKET LEADER

Vendor on FeaturedCustomers.com with substantial customer base & market share. Leaders have the highest ratio of customer success content, content quality score, and social media presence relative to company size.

TOP PERFORMER

Vendor on FeaturedCustomers.com with significant market presence and resources and enough customer reference content to validate their vision. Top Performer's products are highly rated by its customers but have not achieved the customer base and scale of a Market Leader.

RISING STAR

Vendor on FeaturedCustomers.com that does not have the market presence of Market Leaders or Top Performers, but understands where the market is going and has disruptive technology. Rising Stars have been around long enough to establish momentum and a minimum amount of customer reference content along with a growing social presence.

Featured Testimonials

“The greatest asset BT has is its people. Our role is to provide a mechanism for BT people to express their ingenuity, and the New Ideas Scheme has been instrumental to achieving that goal. We're constantly trying to improve that capability for our employees and maximize the benefit for our customers.”

JOHN NEVINS
HEAD OF INNOVATION CONSULTING, BT PLC

“Brightidea remains the clear market leader and the only vendor that can fully support our diverse innovation management needs.”

NICK SELK
INNOVATION PROGRAM MANAGER, CISCO

“Brightidea's innovation platform helps us maintain our global leadership in customer experience and service excellence.”

JOE LOCANDRO
CIO, CATHAY PACIFIC

“Brightidea was the best choice for CLP. Their software is quick and easy to implement and provides the flexible functions we were looking for.”

JOE LOCANDRO
DIRECTOR OF GROUPT, CHINA LIGHT & POWER

ABOUT IDEASCALE

IDEASCALE Services

IdeaScale is the largest cloud-based innovation software platform in the world with more than 25,000 customers and 4.5 million users. The software allows organizations to involve the opinions of public and private communities by collecting their ideas and giving users a platform to vote. The ideas are then evaluated, routed, and implemented, making IdeaScale the engine of crowd-powered innovation. IdeaScale's client roster includes the Cleveland Cavaliers, Doctors Without Borders, Freddie Mac, Marriott Vacations Worldwide, NASA, the United Way, the US Air Force, and many others.

Featured Testimonials

“With IdeaScale, not only did we find a successful product, but we also experienced great customer service. IdeaScale's team is helpful in learning the back-end of the technology, understanding the project lifecycle and its challenges, and is responsive to questions and concerns.”

JARED ODESSKY
VP COMMUNICATIONS, COLUMBIA UNIVERSITY

“IdeaScale provided a cost-effective platform that allowed us to get our initial pilot up and running quickly and it proved to be such a simple and flexible platform that we were glad to bring it forward into new phases of the lifecycle.”

GARY ROSENFELD
PROJECT MANAGEMENT OFFICE DIRECTOR, BAYADA HOME HEALTH CARE

“I think IdeaScale presents a unique opportunity to government agencies. It offers them the prospect of directly communicating with their citizens and the IdeaScale platform is such a userfriendly interface that it allows any civilian the chance to truly engage with their government. It's an incredibly important relationship to establish.”

HALEY VANDYCK
DIRECTOR OF CITIZEN ENGAGEMENT, FEDERAL COMMUNICATIONS COMMISSION

“One of the best things about the IdeaScale solution is that it saves the team both time and debate on identifying new features for each upcoming release. We know what's important to include as well as why. It is a place for people to constantly add and suggest new feedback and we've found that it's a great way to communicate with others about why we implement those changes.”

ABOUT QMARKETS

For more than 10 years, Qmarkets has developed a reputation for delivering the most comprehensive innovation software in the world. With renowned customers such as Ford, McDonald's & Lufthansa, Qmarkets offers a wide selection of best-practice templates, alongside intuitive self-admin tools for easy configuration. Recognized by leading analysts and offering a full suite of crowdsourcing products, Qmarkets is perfectly positioned to help enterprise companies transform ideas into results.

Featured Testimonials

“Intuitiveness is the hallmark of Qmarkets' idea management tool - we are pleasantly surprised to have not received a single support request from our end users since company-wide launch of the tool.”

DINAKAR DEVIREDDY
HEAD INNOVATION & KNOWLEDGE MANAGEMENT, CYIENT

“The Qmarkets platform makes it easy to run hackathons, tournaments, and multiple innovation campaigns at scale. When embedded within an organization, it enables every brain to be brought into the game to generate value from new ideas. With the Qmarkets platform, leaders can relentlessly drive growth, productivity, and innovation ROI.”

DP PRAKASH
GLOBAL HEAD OF INNOVATION, GLOBAL FOUNDRIES

“The Qmarkets platform has made it easy for us to organize and optimize our innovation workflows on a single, user-friendly platform. In addition to helping us develop strategies that bring together the scientific, technical, and administrative sides of our mission, it's ideal for helping us discover ways to optimize day-to-day working processes across departments.”

THIBAUT SIEGMANN
HEAD KNOWLEDGE MANAGEMENT AT FMI, FRIEDRICH MIESCHER INSTITUTE

“Qmarkets' platform allows us to streamline and amplify our innovation management processes, and we're extremely pleased with the ideas and engagement levels it has generated so far.”

ABOUT SPIGIT

Spigit is the leader in crowdsourced innovation management software, with more than 6 million users across 170 countries. They bring an industry leading ideation management platform that scales across an enterprise to surface the best ideas. The Spigit platform is backed by proprietary crowd science algorithms and a proven methodology that together deliver bottom line business results.

Featured Testimonials

“We wanted to figure out how to encourage people to elevate ideas. Spigit helps us with that, speeding up ideas and getting more of the community to see what is going on, vote thumbs up or down, and help decide which ideas to react to first.”

JIM WASHBURN
REGIONAL MANAGER, DPR CONSTRUCTION

“When we were looking at Spigit, there were two things that got our attention. The first was the ability of the software to integrate into our technology, and the second was the platform's ability to scale up for a global organization.”

SUSAN ANDREWS
HEAD OF INNOVATION, CITI

“Being able to bring our employees, customers and the general public into the innovation process allows us to harness the very best ideas and make sustainable living a reality. Spigit gives us a platform to scale innovation and allows us to leverage that collective knowledge that leads to great ideas being surfaced and implemented for a #BrightFuture.”

JEREMY BASSETT
HEAD OF UNILEVER FOUNDRY, UNILEVER

“By using an innovation platform that connects people and ideas, we have a system in place to encourage and capture new ideas. We are then able to create diverse teams around those concepts, helping UnitedHealthcare to radically transform innovation engagement and enhance the health care system.”

ABOUT CROWDICITY

Medallia Crowdicity

Crowdicity is a leader in innovation and idea management software. Their social software empowers some of the world's top organizations to harness the idea and creativity of their people to discover new perspectives, insights and opportunities. Crowdicity is a fast growing social innovation company. They are agile, they are creative, focused and they love what they do and they are obsessed with helping their customers discover better ways of doing things and become better innovators.

Featured Testimonials

“The Crowdicity platform will help us to achieve two key priorities - enhancing the way we engage with stakeholders, and delivering exceptional customer experience. The system's ease-of-use and functionality will make it a breeze to collaborate with start-ups, government and industry on key projects, and to garner feedback on how people want to transact with us in the future. Thank you Crowdicity for bringing us one step closer to achieving our vision!”

REBECCA PRIOR
INNOVATION MANAGER, LANDGATE

“This platform enables people to connect in a way that wasn't possible before. I've never seen a tool like this, I think it's a really positive tool that's made a real difference. We want to generate ideas, we want to make change happen and we want to make staff feel connected and to really help us drive what the future in this Trust looks like.”

SALMA YASMEEN
DIRECTOR OF STRATEGY, SOUTH WEST YORKSHIRE PARTNERSHIP NHS FOUNDATION TRUST

“With Crowdicity, we were modernising our approach to better fit with the way our staff and customers prefer to consume and share information. It gave us a chance to rebrand our innovation department, generate increased awareness of innovation and have a fresh start to our innovation efforts.”

YVONNE BRILL
VICE PRESIDENT OF INNOVATION, ZITTER HEALTH INSIGHTS

“Crowdicity has given us one central place where we can continuously collect and assess ideas from across our global organisation. It helps us take advantage of the numerous great ideas within our own company, using our teams' expertise to innovate and solve real business problems.”

Featured Testimonials

“Exago's platform has been key, since 2009, in engaging our employees in our innovation culture and business strategy, allowing us to collect thousands of ideas – on how the company can enhance its efficiency and performance, reduce costs and improve customer experience.”

DALILA MARTINS
HEAD OF ORGANISATIONAL COMMUNICATION, ALTICE PORTUGAL

“Exago allowed us to tap into the entrepreneurial mindset within the company in a fun way. People are now able to capitalize and exchange ideas, exchange comments and really tackle the company's main business challenges in a positive and constructive way while using an agile approach to it.”

NUNO HORTA
INNOVATION MANAGER, AGEAS

“The decision to choose Exago came about because this solution combines software and associated value-added services with a rapid and effective response to the process of collecting, assessing and implementing innovative ideas.”

ISMAEL PULIDO
R&D PORTFOLIO MANAGER, ENDESA

“Very impressed with the overall service and functionality. The ability to have multiple idea selection criteria is what really sets this software apart. It allows you to tailor the experience in a way other platforms do not. It's also very intuitive and does a great job of organizing the artifacts so that they all get a fair viewing.”

NICK KARP
INNOVATION LEAD, BARCLAYS

Featured Testimonials

“Our first idea campaign was a big success. The platform was very well received and we gained many valuable ideas and comments. Some of the ideas will boost our efficiency dramatically.”

SEBASTIAN AYUB
CEO, BST CORP

“In terms of ROI on IdeaWave, we can easily show just from the initial projects that it's paid for itself many times over. But this is not the way we are looking at it, rather this is about better ways of working, better ways to function operationally, better ways to share best practices and information that just isn't shared widely today. It's an essential component for our goals around dialogue and collaboration.”

BOB NEUHARD
EXECUTIVE DIRECTOR, UC SAN DIEGO

“HYPE offers a way for all our employees from anywhere in the company, even those without a formal education, to share their ideas. The tool is highly configurable and maps to the way we want to work, ensuring those precious ideas make it to the right place and through to implementation.”

REBECA RIVERA
INNOVATION & KAIZEN MANAGER, CASA PELLAS

“Our partner, HYPE, has given us the ability to engage innovation professionals on all levels of innovation, quickly ensuring that the highest quality ideas make it into our innovation programs, no matter where in the world or which division they come from.”

MARTIN ERTL
CHIEF INNOVATION OFFICER, BOMBARDIER
