

Board Management Software Category

WINTER 2026
Customer Success Report

Board Management Software Category

Board management software offers a workspace for professionals such as chief executives and board members. They can utilize it to plan progress, make timely decisions, and stay organized. This collaborative tool provides access to contacts, calendars, notes, files, and agendas that can be employed to inform corporate meetings. You can upload files in the workspace and assign access to users based on their roles and permission levels.

Customer Success Report Ranking Methodology

The FeaturedCustomers Customer Success ranking is based on data from our customer reference platform, market presence, web presence, & social presence as well as additional data aggregated from online sources and media properties. Our ranking engine applies an algorithm to all data collected to calculate the final Customer Success Report rankings.

The overall Customer Success ranking is a weighted average based on 3 parts:

CONTENT SCORE

- ✓ Total # of vendor generated customer references (case studies, success stories, testimonials, and customer videos)
- ✓ Customer reference rating score
- ✓ Year-over-year change in amount of customer references on FeaturedCustomers platform
- ✓ Total # of profile views on FeaturedCustomers platform
- ✓ Total # of customer reference views on FeaturedCustomers platform

MARKET PRESENCE SCORE

- ✓ Social media followers including LinkedIn, Twitter, & Facebook
- ✓ Vendor momentum based on web traffic and search trends
- ✓ Organic SEO key term rankings
- ✓ Company presence including # of press mentions

COMPANY SCORE

- ✓ Total # of employees (based on social media and public resources)
- ✓ Year-over-year change in # of employees over past 12 months
- ✓ Glassdoor ranking
- ✓ Venture capital raised

Award Levels

MARKET LEADER

Vendor on FeaturedCustomers.com with substantial customer base & market share. Leaders have the highest ratio of customer success content, content quality score, and social media presence relative to company size.

TOP PERFORMER

Vendor on FeaturedCustomers.com with significant market presence and resources and enough customer reference content to validate their vision. Top Performer's products are highly rated by its customers but have not achieved the customer base and scale of a Market Leader.

RISING STAR

Vendor on FeaturedCustomers.com that does not have the market presence of Market Leaders or Top Performers, but understands where the market is going and has disruptive technology. Rising Stars have been around long enough to establish momentum and a minimum amount of customer reference content along with a growing social presence.

FEATURED TESTIMONIALS

“Convене was already up and running before his move, and when we held a board meeting with Convене, it was easy for him to follow the meeting. The Chairperson who ran the meeting turned the pages for the other attendees, which made the process run smoothly, and it also removed the need for any attendee to spend time flicking through pages to find the specific information they needed.”

ROB BUTTERWORTH
HEAD OF IT, AMADEUS CAPITAL PARTNERS

“Convене is quick and easy to implement. The software itself is intuitive and even the least tech savvy board members have found it straightforward and easy to use. Having used two similar products before, I really struggle to find a fault with Convене, as it generally provides the same functionality more efficiently and for a lower cost.”

WILLIAM GILL
GOVERNANCE MANAGER, ONWARD HOMES

“The app makes it easy to conduct meetings and business literally everywhere. You can either sit around a boardroom table and exchange ideas without the flood of paper documents, or conduct your meetings on the fly anywhere you happen to be.”

LAURA TUCKER
COPY EDITOR, MAKE TECH EASIER

“Convене is very easy to use and simple to understand. It has been fantastic for GDPR and for control over access to board information packs. Convене is simple to understand, navigation just works, and is very intuitive.”

CRAIG RICHARDS
HEAD OF IT, FITZROY SUPPORT

ABOUT BOARD INTELLIGENCE

III BOARD INTELLIGENCE

Board Intelligence works with 25000+ board members and executives to transform critical thinking and writing across the business. Their mission is to help all boards and leadership teams to be a powerful driver of performance and a force for good. They reviewed thousands of board reports and consulted with hundreds of board members. They found what works and what doesn't. And they built up the knowledge that formed the basis of the QDI Principle, their critical thinking (and writing) playbook, helping management to draw out what matters and prepare board and management papers that hit the...
