WINTER 2026
Customer Success Report

Catering Management Software Category

Catering companies need to efficiently handle food processing and distribution, and catering management software helps with this. It offers features such as production planning, order management, invoicing, and delivery. Advanced tools also present marketing and sales functionalities. Catering software assists catering firms to plan food production as per consumer demand and improve the preciseness of their deliveries. It also helps caterers to assess the quality and efficiency of their services.

Catering software typically integrates with event management, payment processing, and accounting solutions. It allows you to produce and update menus, and share them with clients via social media, web portals, and more. You can easily schedule deliveries and handle customer orders. Further, you can process orders to produce the type of food bought by consumers. Catering tools permit you to offer several payment options to your customers. Lastly, you can assign and manage staff during events.

Customer Success Report Ranking Methodology

The FeaturedCustomers Customer Success ranking is based on data from our customer reference platform, market presence, web presence, & social presence as well as additional data aggregated from online sources and media properties. Our ranking engine applies an algorithm to all data collected to calculate the final Customer Success Report rankings.

The overall Customer Success ranking is a weighted average based on 3 parts:

CONTENT SCORE

- ✓ Total # of vendor generated customer references (case studies, success stories, testimonials, and customer videos)
- ✓ Customer reference rating score
- ✓ Year-over-year change in amount of customer references on FeaturedCustomers platform
- ✓ Total # of profile views on FeaturedCustomers platform
- ✓ Total # of customer reference views on FeaturedCustomers platform

MARKET PRESENCE SCORE

- ✓ Social media followers including LinkedIn, Twitter, & Facebook
- ✓ Vendor momentum based on web traffic and search trends
- ✓ Organic SEO key term rankings
- ✓ Company presence including # of press mentions

COMPANY SCORE

- ✓ Total # of employees (based on social media and public resources)
- ✓ Year-over-year change in # of employees over past 12 months
- ✓ Glassdoor ranking
- ✓ Venture capital raised

Award Levels

MARKET LEADER

Vendor on FeaturedCustomers.com with substantial customer base & market share. Leaders have the highest ratio of customer success content, content quality score, and social media presence relative to company size.

TOP PERFORMER

Vendor on FeaturedCustomers.com with significant market presence and resources and enough customer reference content to validate their vision. Top Performer's products are highly rated by its customers but have not achieved the customer base and scale of a Market Leader.

RISING STAR

Vendor on FeaturedCustomers.com that does not have the market presence of Market Leaders or Top Performers, but understands where the market is going and has disruptive technology. Rising Stars have been around long enough to establish momentum and a minimum amount of customer reference content along with a growing social presence.

ABOUT TRIPLESEAT

tripleseat

Tripleseat generates sales and streamlines the planning process for restaurants, hotels, and unique venues. Tripleseat captures leads through the venue's website and Facebook page and automatically uses that information to populate everything to facilitate the event manager's job. It just takes a few clicks and it will build the client database tracking their history of bookings, generate all the documents needed at once, and change them all simultaneously, while also popping the information onto a web accessible calendar which displays it to be accessed anytime, anywhere...

We are very happy with our partnership with Tripleseat. As a global company operating in many countries, we needed software that was flexible enough to meet our needs. Tripleseat satisfied all of our requirements and exceeded our service expectations with instant reactions to our requests. The reporting and effortless document creation has improved our performance by allowing the team to sell more - by reducing time spent on paperwork. I strongly recommend this program to any multi-unit operator looking to organize their sales process.

KIRSTEN KNAUER
FOGO DE CHÃO

Tripleseat had made tracking leads and preparing documents fast and easy. Writing and sending proposals is seamless and quick with Tripleseat. Tasks ensure timely follow up and proper tracking of the status of events. Multiple locations allows for managing of all of my venues from one portal, and all of my managers at each venue can be informed of the upcoming events booked. I live on Tripleseat. I wouldn't be able to do my job without it!

SHIRA SPIEWAK
GOLDBAR

Using Tripleseat for ticketed events has helped our clients make the most of off-peak dates, driving both revenue and guest turnout. We strongly recommend Tripleseat Tickets for hitting those revenue goals—it's easy to use, integrates seamlessly, and offers many customization options.

CATHERINE NEW,
DIRECTOR OF SPECIAL PROJECTS, PACESETTER HOSPITALITY

Tripleseat really changed our business. My bandwidth was wider, and I could take on more event business – so much so that I could eventually hire an Event Coordinator. We have literally gone from no events to events now being a really important revenue stream for the business.
