Contract Intelligence and Analytics Software Category

WINTER 2026
Customer Success Report

Contract Intelligence and Analytics Software Category

Contract Intelligence and Analytics Software helps various companies analyze contracts more efficiently and effectively while utilizing AI. Contract analytics software uses AI algorithms, which help authorize contracts and their future outcomes. With contract analytics, the company is very well informed of the legal agreements it is getting itself into. Contract intelligence also enables companies to comprehensively analyze the contracts in the context of processes and systems that drives the company forward. The intelligence tools ensure that the intent of the agreement is realized, including signing, initiation, and obligation.

Customer Success Report Ranking Methodology

The FeaturedCustomers Customer Success ranking is based on data from our customer reference platform, market presence, web presence, & social presence as well as additional data aggregated from online sources and media properties. Our ranking engine applies an algorithm to all data collected to calculate the final Customer Success Report rankings.

The overall Customer Success ranking is a weighted average based on 3 parts:

CONTENT SCORE

- ✓ Total # of vendor generated customer references (case studies, success stories, testimonials, and customer videos)
- ✓ Customer reference rating score
- ✓ Year-over-year change in amount of customer references on FeaturedCustomers platform
- ✓ Total # of profile views on FeaturedCustomers platform
- ✓ Total # of customer reference views on FeaturedCustomers platform

MARKET PRESENCE SCORE

- ✓ Social media followers including LinkedIn, Twitter, & Facebook
- ✓ Vendor momentum based on web traffic and search trends
- ✓ Organic SEO key term rankings
- ✓ Company presence including # of press mentions

COMPANY SCORE

- ✓ Total # of employees (based on social media and public resources)
- ✓ Year-over-year change in # of employees over past 12 months
- ✓ Glassdoor ranking
- ✓ Venture capital raised

Award Levels

MARKET LEADER

Vendor on FeaturedCustomers.com with substantial customer base & market share. Leaders have the highest ratio of customer success content, content quality score, and social media presence relative to company size.

TOP PERFORMER

Vendor on FeaturedCustomers.com with significant market presence and resources and enough customer reference content to validate their vision. Top Performer's products are highly rated by its customers but have not achieved the customer base and scale of a Market Leader.

RISING STAR

Vendor on FeaturedCustomers.com that does not have the market presence of Market Leaders or Top Performers, but understands where the market is going and has disruptive technology. Rising Stars have been around long enough to establish momentum and a minimum amount of customer reference content along with a growing social presence.

FEATURED TESTIMONIALS

It's been awesome. From start to finish, when we found Conga and we reached out, from that point there was no other choice. Even if there was another solution, the people that I worked with, the sales reps that I worked with and the customer success team that I worked with, there's been no other choice.

COREY IKEN
DIRECTOR OF BUSINESS INTELLIGENCE, EYEPROMISE

We brought in the Conga Composer solution in order to streamline our contracts for our automotive side of the business, making it less clicks on the sales reps, less that they have to be involved in on the contract side, and more about selling, working with the customer and moving forward.

NICKKI GIBEAUT
SENIOR SALESFORCE ADMIN, SPIREON

We are spending much less time reviewing and negotiating each contract. Additionally, our internal clients rave about the self-service aspect of being able to generate their own agreements.

BARBARA ROGAN
VICE PRESIDENT & ASSOCIATE GENERAL COUNSEL, CADENCE

Conga CLM has also proven to be a reliable means of analyzing data and driving contract efficiency while giving us more insight into the value and risk profile of our contracts.

FEATURED TESTIMONIALS

Icertis' unique approach to building software is evident in its Contract Management product. Managing complex contracts across all our business units and getting one single view of various contracts was very important to us. MindTree selected Icertis' Contract Management solution based on its end-to-end functionality, ease of use, and quick time to deployment. Their product will help take our contract management processes to the next level.

RAJESH NARANG
VICE PRESIDENT – LEGAL & COMPANY SECRETARY, MINDTREE

We chose the Icertis ICM platform and ICM Sourcing app because of their ease of use, ability to address every phase in the contracting and sourcing processes, and seamless integration with third-party systems that support the entire procurement life cycle. The deployment optimizes the source-to-contract process by ensuring best-in-class supplier evaluation, selection, contracting, and collaboration.

STEPHAN STATHEL
PRODUCT OWNER OPERATIONS, DAIMLER

We selected the Icertis Contract Management platform because of its flexible workflow, the transparency it provides users into our contracting process and its intuitive user interface.

MARYBETH DIXON
SENIOR MANAGER OF CORPORATE SYSTEMS & FINANCIAL OPERATIONS, MASSTECH

As a global business executing hundreds of thousands of contracts annually, Microsoft needed a solution that was scalable, easy to use and readily customizable to our unique processes.

ABOUT IRONCLAD

Ironclad

Ironclad is software that does all the administrative work better left for a computer, freeing legal teams to do substantive work and drive business strategy. They build contracts software to take legal teams to the next level. They're bringing Silicon Valley technology to legal teams, but without all the Silicon Valley disruption. With a public API and seamless integrations, nothing about your current process needs to break when you start using Ironclad.

139 — TOTAL CUSTOMER REFERENCES

VIEW ALL REFERENCES

FEATURED TESTIMONIALS

We are no longer building contracts by hand or saving, tracking, negotiating, and securing signatures in different systems. With Ironclad, I can do everything in one place, which allows the contract process to go much quicker and increases our capacity to spend time on higher-level projects.

JENNIFER HAMDORF
DIRECTOR, CONTRACTS AND LEGAL OPERATIONS, RUFFALO NOEL LEVITZ

With Ironclad, you don't have to review the same contract multiple times with different people. Ironclad facilitates the signatures, the review process, the redlining , and negotiating — it really is seamless.

ELYSSA DUNLEAVY
ASSISTANT VICE PRESIDENT, ADVERTISING COUNSEL, L'OREAL USA

Our old way of doing things made even finding contracts difficult. By streamlining our processes, Ironclad has helped us accelerate high-volume, high-value contracts and create self-service process for our business users.

JOSEPHINE VONG
LEGAL OPERATIONS MANAGER, BRANCH

With Ironclad's Smart Import, uploading legacy contracts is 40-50% faster and we get 2-3 times more contract data than before. It solves one of my biggest pain points.
