WINTER 2026
Customer Success Report

Subscription Billing Software Category

Subscription billing software is also termed recurring billing software. Businesses utilize this tool to automatically process recurring payments from consumers and manage payment info. With this platform, enterprises ensure their clients are billed accurately at the same time each month. By getting subscribers for their services or products, firms get steady revenue flows as well as loyal customers for their brand. Subscription billing software is used together with other financial products like ERP, billing, and accounting solutions. In addition, subscription software can easily integrate with payment gateways.

Customer Success Report Ranking Methodology

The FeaturedCustomers Customer Success ranking is based on data from our customer reference platform, market presence, web presence, & social presence as well as additional data aggregated from online sources and media properties. Our ranking engine applies an algorithm to all data collected to calculate the final Customer Success Report rankings.

The overall Customer Success ranking is a weighted average based on 3 parts:

CONTENT SCORE

- ✓ Total # of vendor generated customer references (case studies, success stories, testimonials, and customer videos)
- ✓ Customer reference rating score
- ✓ Year-over-year change in amount of customer references on FeaturedCustomers platform
- ✓ Total # of profile views on FeaturedCustomers platform
- ✓ Total # of customer reference views on FeaturedCustomers platform

MARKET PRESENCE SCORE

- ✓ Social media followers including LinkedIn, Twitter, & Facebook
- ✓ Vendor momentum based on web traffic and search trends
- ✓ Organic SEO key term rankings
- ✓ Company presence including # of press mentions

COMPANY SCORE

- ✓ Total # of employees (based on social media and public resources)
- ✓ Year-over-year change in # of employees over past 12 months
- ✓ Glassdoor ranking
- ✓ Venture capital raised

Award Levels

MARKET LEADER

Vendor on FeaturedCustomers.com with substantial customer base & market share. Leaders have the highest ratio of customer success content, content quality score, and social media presence relative to company size.

TOP PERFORMER

Vendor on FeaturedCustomers.com with significant market presence and resources and enough customer reference content to validate their vision. Top Performer's products are highly rated by its customers but have not achieved the customer base and scale of a Market Leader.

RISING STAR

Vendor on FeaturedCustomers.com that does not have the market presence of Market Leaders or Top Performers, but understands where the market is going and has disruptive technology. Rising Stars have been around long enough to establish momentum and a minimum amount of customer reference content along with a growing social presence.

FEATURED TESTIMONIALS

“We are impressed with the breadth and depth of the ecommerce and subscriptions functionality that the Avangate Monetization platform offers and with the conversion rate improvements and revenue uplifts we achieved. Especially as we put more emphasis on our subscription-based business, tools that help us increase client lifetime value – such as involuntary and voluntary churn prevention – are of the utmost importance. All in all, we are very pleased with working with the 2Checkout team.”

FELIX HÜNING
DIRECTOR ECOMMERCE, NERO

“By choosing Avangate I've been able to move forward with building my subscriptions based business in the confidence that the payment collection and renewals are being taken care of by professionals. I looked at over 8 other providers - but after discussing my needs with Avangate their solution offered clear advantages in terms of time to market customisation and costs. Add to this that their support staff have been superbly helpful and I couldn't be happier.”

JOHN CLAYTON
CEO, CODERAGE SOFTWARE

“2Checkout has solved for us a lot of issues related to subscriptions management and billing, order management and how to use order links and APIs. Basically, it is easy to integrate with their APIs and to manage order links. We enjoy the multitude of payment methods, as well as the checkout options that are easily customizable.”

NADIN JABER
MARKETING MANAGER, ZOOLZ

“2Checkout has been the backbone of our subscription system for years. While it runs very stable in general, any issues have also been addressed and fixed very professionally.”

CORD FOCKE ROSTED
FOUNDER & CHIEF EXECUTIVE OFFICER, MAILBEEZ

Plugin businesses, theme shops, and SaaS platforms of all sizes use their secure payments, licensing, and subscriptions platform to automate sales and grow their bottom line. They created Freemius so that indie-developers, agencies, and plugin and theme shops can meet the growing demands and complexities of monetizing open-source software. Over the last 10 years, they have seen this market expand massively, and Freemius was built specifically to address the needs of developers who are making a living selling plugins and...

FEATURED TESTIMONIALS

“Freemius pays for itself. Last month, the cart recovery mechanism recovered about 10% of revenue that would’ve been lost otherwise. That revenue increase alone easily covers the Freemius revenue share.”

JOSE VEGA
FOUNDER & CEO, SUPER ADMINS

“Freemius takes care of everything from the moment of purchase. Everything is handled through this one platform, allowing you to focus on your business.”

VERDI HEINZ
CO-FOUNDER, CODE SNIPPETS

“Freemius has taken care of everything. Licensing, payment processing, refunds management, prorating, taxes, analytics — it’s all taken care of.”

TOBIAS BÄTHGE
FOUNDER, TABLEPRESS

“Freemius was the difference between working on my WordPress plugin as a hobby to a full-time job, like it is now.”

FEATURED TESTIMONIALS

“Invoiced got us started with receiving online payments in less than an hour. It was super simple, and as our needs have grown more complex the Invoiced team has provided excellent and fast service. It’s almost like they are working on our own team. Just what our startup needed.”

CLAUS LINDEMANN
TABSURVEY

“Invoiced is an extremely flexible and easy-to-use tool. We achieved ROI immediately by using Invoiced features to better execute on our accounts. We no longer have to play cat-and-mouse with our clients - Invoiced automates it all.”

KISON PATEL
FOUNDER AND CEO, DEALROOM

“Invoiced has given us the online presence we needed to provide customer self-service options. Our eyes are open to new possibilities, and we’re excited to continue to migrate our customer base to Invoiced’s robust platform.”

JON MOBLEY
CHIEF FINANCIAL OFFICER, DEXTER SOLUTIONS

“Invoiced has been extremely flexible in adapting to the change in our processes. The platform can handle small and large volumes of invoices. We recommend Invoiced to companies of any size.”

FEATURED TESTIMONIALS

“Not only has MoonClerk given us the time back from sending out manual invoices, it has also given our clients back their time from having to actually make the payments monthly and manually. Now they put their payment information in one time and that's it. They don't have to think about it anymore than we have to think about it.”

CHRISTINE NICHOLS
COFOUNDER, RELENTLESS RUNNERS

“MoonClerk has become one of those rare tools we can rely on every day it never creates friction. It does exactly what we need, scales with us, and lets us focus on growth. The smooth sign-up process and self-service features have directly contributed to an increase in our client retention rate, which has gone up by 35%.”

BRAD KELLARD
CO-FOUNDER, I24 GROUP

“Getting started with MoonClerk was easy. Like, very easy. I set up an account and immediately started taking payments. I organize things in my business around what annoys me as a client. That's why I love MoonClerk. It's easy-peasy for everyone.”

CHRISTINA BOYD-SMITH
FOUNDER, THE CORPORATE REBEL

“We'd recommend MoonClerk without question. MoonClerk improves cash flow predictability and reduces the administrative overhead tied to client onboarding. On average, our project start times are 40% faster with MoonClerk.”
