

# Supply Chain Management Software Category

WINTER 2026  
Customer Success Report

## Supply Chain Management Software Category

Supply chain management software is built to control complete business workflows across the supply chain, execute demand forecasting and planning, and handle supplier relationships. Common features of this solution include purchase order fulfillment, supplier sourcing, inventory management, shipping, and execution-focused programs (e.g., transportation and warehouse management).

Leading supply chain management platforms include forecasting, which assists organizations to manage the variations in supply and demand by utilizing consumption analysis and advanced algorithms to analyze purchaser histories. Supply chain improvement solutions can thus help to boost production efficiency and plan for the future.

# Customer Success Report

## Ranking Methodology

The FeaturedCustomers Customer Success ranking is based on data from our customer reference platform, market presence, web presence, & social presence as well as additional data aggregated from online sources and media properties. Our ranking engine applies an algorithm to all data collected to calculate the final Customer Success Report rankings.

**The overall Customer Success ranking is a weighted average based on 3 parts:**

### CONTENT SCORE

- ✓ Total # of vendor generated customer references (case studies, success stories, testimonials, and customer videos)
- ✓ Customer reference rating score
- ✓ Year-over-year change in amount of customer references on FeaturedCustomers platform
- ✓ Total # of profile views on FeaturedCustomers platform
- ✓ Total # of customer reference views on FeaturedCustomers platform

### MARKET PRESENCE SCORE

- ✓ Social media followers including LinkedIn, Twitter, & Facebook
- ✓ Vendor momentum based on web traffic and search trends
- ✓ Organic SEO key term rankings
- ✓ Company presence including # of press mentions

### COMPANY SCORE

- ✓ Total # of employees (based on social media and public resources)
- ✓ Year-over-year change in # of employees over past 12 months
- ✓ Glassdoor ranking
- ✓ Venture capital raised

## Award Levels

### MARKET LEADER

Vendor on FeaturedCustomers.com with substantial customer base & market share. Leaders have the highest ratio of customer success content, content quality score, and social media presence relative to company size.

### TOP PERFORMER

Vendor on FeaturedCustomers.com with significant market presence and resources and enough customer reference content to validate their vision. Top Performer's products are highly rated by its customers but have not achieved the customer base and scale of a Market Leader.

### RISING STAR

Vendor on FeaturedCustomers.com that does not have the market presence of Market Leaders or Top Performers, but understands where the market is going and has disruptive technology. Rising Stars have been around long enough to establish momentum and a minimum amount of customer reference content along with a growing social presence.

“E2open compliance capabilities are very important for the Geodis Supply Chain Optimization compliance risk management program. The digital information is key to providing timely and accurate visibility, streamlining our compliance check processes, improving their efficiency and reliability. We're now very well-positioned for the next wave of growth and ready to offer our customers more value than ever before.”

LAURENT ROSA  
BUSINESS TRANSFORMATION, SUPPLY CHAIN  
OPTIMIZATION, GEODIS

“At Lenovo, our average product innovation cycle is six months, which magnifies the cost of supply chain errors. To drive growth and profitability, our operations must be fast, flexible, and reliable to ensure that we can get the newest products to our customers—regardless of disruptions in the trading network or macro-environment.”

JON PERSHKE  
VICE PRESIDENT, BUSINESS TRANSFORMATION/IT,  
GLOBAL SUPPLY CHAIN, LENOVO

“As a manufacturer, we need complete visibility, collaboration and increased flexibility with supply chain partners to continually drive transportation improvements. Blujay [now E2open] provides the sophisticated visibility and optimization to manage our continued growth.”

VP SUPPLY CHAIN  
AEP INDUSTRIES

“Working with E2open enables us to better fulfill short supplier lead times, reduce inventory levels, and dramatically improve inventory turns—all while lowering the total cost of ownership to our customers.”

## FEATURED TESTIMONIALS

“Co-innovating and implementing the digital worker, Tracy, has helped Unilever teams in the U.S. make our supply chain management more efficient. Within four weeks, we observed notable improvements to exception management and tracking quality. Tracy provides useful information and streamlines processes for our teams by proactively identifying risks, coordinating with carriers, and taking immediate action. This allows our people to focus on strategic initiatives.”

SHWETHA BALAGALI  
SENIOR MANAGER LOGISTICS, UNILEVER

“FourKites impressed us with their willingness to develop and adapt to meet Eastman product quality expectation, and they have a well-articulated global visibility strategy across regions and modes. Their flexibility and willingness to collaborate made us feel confident in them as a key partner as Eastman drives to optimize every layer of the end-to-end supply chain.”

TOM MORTON  
VICE PRESIDENT GLOBAL SUPPLY CHAIN, EASTMAN  
CHEMICAL

“Supply chain visibility is key to meeting our customers' needs and increasing compliance with service level agreements (SLAs). By working with FourKites, our carriers are aligned to common goals and we are able to get thorough reporting to understand how truckloads are performing from both a compliance and consistency standpoint.”

ALEX YEE  
U.S. NETWORK CONTROL MANAGER, PUROLATOR  
INTERNATIONAL

“Our goal is to deliver the best possible customer service, and supply chain visibility plays an important role in helping us get there.”

## FEATURED TESTIMONIALS

“Embarking on a new strategy to align end-to-end supply chain planning and optimization with RELEX allows us to improve accuracy and efficiency across our operations. With one aligned forecast, we can better anticipate customer demand and support growth in our existing and emerging markets. This is also a significant step towards supporting our future growth and ensuring our innovative products are always available to our customers.”

MARK HOPPENBROUWERS  
SENIOR DIRECTOR GLOBAL PLANNING & SUPPLY DEVELOPMENT, RITUALS

“We needed a supply chain planning solution, not a new ERP system. RELEX ticked all the boxes. Coming from an spreadsheet background, the pivot-like interface from RELEX was attractive. We didn't have to give up the flexibility we were used to with spreadsheets. We also liked the modularity of the RELEX application suite, which allowed us to implement at our own pace.”

BART KROOT  
SUPPLY CHAIN MANAGER, GROUP OF BUTCHERS

“As we expand, it's crucial to have a robust and scalable supply chain platform that aligns with our growth strategy. The RELEX machine-learning forecasting solution stands out for its ease of use, configurability, and transparent output. It's precisely what we need to support our strategic objectives.”

CHRIS DEMEESTER  
CHIEF INFORMATION OFFICER, BFG SUPPLY

“We are excited to embark on this journey with RELEX Solutions. Their platform's capabilities align perfectly with our vision for optimizing our supply chain operations, ensuring that we continue to meet the evolving needs of our customers.”

## FEATURED TESTIMONIALS

*“It's really clear that there are synergies between supply chain and pharmacy, particularly with respect to inventory control that you really want to leverage. And the nice thing that Tecsyes brings specifically to Parkview is a confidence in the system.”*

CHRIS JELLISON  
VICE PRESIDENT, PHARMACY, PARKVIEW HEALTH

*“I love that the warehouse is automated. We have had record-setting order days, and the warehouse was not only able to keep up but also reduced our turnaround time. TECSYS WMS is a key part of our ability to deliver awesome customer experiences.”*

PATTI HUGHES  
FOUNDER & CEO, NATURAL LIFE

*“We needed a partner with a proven track record in supply chain management that was willing to work with us to develop a system uniquely suited to the special needs of our industry.”*

RICHELLE SMITH-BRECHT  
PRESIDENT AND COO, S.J. SMITH

*“At the end of the day, with TECSYS we are now miles ahead in our execution abilities and management of our supply chain.”*

JEFFREY PIKE  
VICE PRESIDENT OF OPERATIONS, AETREX

## FEATURED TESTIMONIALS

“TradeBeyond's supplier management solution simplified vendor onboarding significantly. We were managing our activities through spreadsheets manually before, so this solution expedited our activities and provided greater visibility. It made things much easier for us. Their smart alerts also helped us manage risk, notifying us when activities or documents were coming due and required action. There's an obvious benefit to implementing...”

CHRIS SMITH  
GENERAL MANAGER, PETS AT HOME

“This is truly the best Quality Inspection Platform in the industry. The un-lock of supply chain visibility, correlation tools and unparalleled analytics gives you the ability to process quality production at the speed of data. In this new world of quick-turn, endless aisle, fill-or-kill retail, Pivot88 (TradeBeyond) gives you the tools to be successful. I don't even know how we operated before having access to the filters for inspection, defects and delivered...”

JO ANNE BENSON  
SENIOR DIRECTOR, GLOBAL QUALITY, UNDER ARMOUR

“We needed a proven system to help us scale our global sourcing operation and handle some of the most intricate facets of our business and we had a very positive experience with [TradeBeyond]. The solution that [TradeBeyond] delivered showed they truly understand apparel sourcing and its immense complexities.”

BERTA ESCUDERO  
CHIEF SUPPLY CHAIN OFFICER, GRUPO CORTEFIEL

“Centralizing workflows and data has strengthened communication between departments and suppliers, allowing us to manage compliance more effectively.”

SZEWAN CHENG  
MANAGING DIRECTOR, TOKMANNI GROUP

## FEATURED TESTIMONIALS

“We chose Jesta’s Vision Sourcing solution to replace our legacy purchase order management system that is mainframe-based and required Genesco resources to maintain and support. Adding the workflow and tracking capability from Vision Merchandizing for both our wholesale and retail business will allow us to manage shipments by exceptions.”

DENIS HARRIS  
DIRECTOR OF IS, GENESCO

“Jesta is a great technology company and a good partner with a winwin mindset. They’ve worked synergistically with us and with TrueCommerce to evolve our overall solution along a very aggressive timeline over the past year. I’d characterize this as a constructive three-way partnership.”

LARRY WATERMAN  
EXECUTIVE VICE PRESIDENT AND CHIEF OPERATING  
OFFICER, CAVENDER’S

“Our Jesta I.S. platform supports current and future acquisitions, and enables us to achieve faster time to market, better visibility and reduced cost of ownership throughout our operations. Jesta I.S. is a great ally in our efforts to better serve our customers.”

GEORGE FELDENKREIS  
CHIEF EXECUTIVE OFFICER, PERRY ELLIS

“Jesta’s Vision Sourcing & Demand software has powered UNIONBAY’s wholesale, distribution and supply chain operations for more than two decades. This is a longstanding partnership supported by Jesta’s consistent Customer Support.”

MICHELLE MOELLER  
VICE PRESIDENT OF OPERATIONS, UNIONBAY

## FEATURED TESTIMONIALS

“Georgia-Pacific worked closely with River Logic on supply optimization and values the collaborative partnership and tailored industry insights. River Logic’s solution offered flexibility and ease of use that contributed to a rapid implementation process, allowing us to realize initial value faster.”

ANDREW MOSES  
SUPPLY CHAIN AND DATA & ANALYTICS,  
GEORGIA-PACIFIC

“The addition of River Logic to our marketplace lets a line of business executives such as those in supply chain, finance and marketing take advantage of predictive and prescriptive analytics to better align business strategies and operational functions.”

HERAIN OBEROI  
SR. DIRECTOR PRODUCT MARKETING, MICROSOFT  
AZURE

“Adopting prescriptive is critical for supply chains to gain a competitive advantage now and in the future. I firmly believe driving visibility and end-to-end optimization in the supply chain is the single biggest opportunity for transformation.”

LESLIE KEATING  
EVP SUPPLY CHAIN STRATEGY AND TRANSFORMATION,  
ADVANCE AUTO PARTS

“Adopting prescriptive is critical for supply chains to gain a competitive advantage now and in the future. I firmly believe driving visibility and end-to-end optimization in the supply chain is the single biggest opportunity for transformation.”
